Matriculation Fee, paid but once	- - - -	\$ 5 00
Fee for the Spring session	- - - -	25 00

For students who attend the Winter session of 1888-89 the fee of \$25.00 paid at the beginning of the Spring session will be deducted from the fee for the regular term.

Laboratory fee to such students as take the course in Practical Chemistry - - - - \$10 00

These fees must be paid to the Dean at the beginning of the session.

Graduates of the St. Louis Medical College have perpetual free admission.

Graduates of three years' standing, of any accredited regular medical college, will be charged the matriculation fee only.

The Spring session is not estimated as a part of the regular courses required for graduation.

All further information may be obtained by addressing the Dean, or calling on him at his office, 3132 Washington Avenue.

J. S. B. ALLEYNE, M. D., *Dean.*
